**Notice of Fee Increase on January 1, 2003**

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

In claim 10, line ~~4~~, "windows" has been changed to --members-- to agree with claim 7.

In claim 12, line ~~3~~, "windows" has been changed to --members-- to agree with claim 7.

In claim 16, line ~~2~~, "wherein said first section is" has been changed to --comprising-- to correct a lack of antecedent for "first section."

In claim 17, line ~~2~~, "wherein said first section is" has been changed to --comprising-- to correct a lack of antecedent for "first section."

In claim 18, line ~~2~~, "windows" has been changed to --members-- to agree with claim 7.

In claim 20, line ~~2~~, "wherein said sections include" has been changed to --comprising-- to correct a lack of antecedent for "sections."

In claim 22, line ~~2~~, "wherein first section is" has been changed to --comprising-- to correct a lack of antecedent for "first section."

In claim 22, lines ~~2-3~~, "said second section is" has been changed to

Art Unit: 3739

--and-- to correct a lack of antecedent for "second section."

## **REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance:

As argued by Applicant (response pp.4-5), "a construction may be airtight at ambient pressure and not be airtight at all under the conditions encountered during autoclaving." Accordingly, the prior art fails to suggest the claimed autoclavable endoscope having a hermetically sealed unit comprising a plurality of airtight partition members having overlapping end parts, the unit formed to provide a sealing level higher than a liquid-sealing level of the outer casing so as hinder the high pressure, high temperature steam of autoclaving penetrating into the interior.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John M. Mulcahy whose telephone number is (703) 308-3134. The examiner can normally be reached on M-F, 7:30-4:00.
